

## Electronic Prescriptions

We now process our prescriptions electronically which means they go directly to a pharmacy without you having to collect them

Please nominate a pharmacy you want your prescriptions sent to – we can update your records

- ✓ **This is safer**
- ✓ **This will save you time**
- ✓ **You won't need to come into the surgery to collect your prescriptions**
- ✓ **You can just go to the pharmacy to collect your medication once it's ready**

If you want to change your pharmacy at a later date...It's quick and simple!

- You can tell us
- You can go to the new pharmacy you want to start using
- You can pick and change your pharmacy from the NHSApp
